Hi Diane,

Are there any materials beforehand that we should look at in preparation for the Dec 2 call?

Ok, thanks, and I saw that Mike accepted the meeting invite also.

They are wanting to go through rationale on whether or not to use compliance averaging, in preparation for the broader discussion with OSRTI management. They are seeking HQ support on the rationale so whichever is decided, it's a robust decision.

Hi Sun,

That time works for me. Do they have specifics they want to chat about?

Hi Matt and Mike,

The region wanted to have a follow-up call from our Jul 8 discussion on compliance averaging on Woodbrook, so hopefully the Dec 2 timeslot works for you?

Please let me know if there is anyone else from OSRTI that would be good to also have on the call.

Cheers,  
Sun
